NVIDIA

導師代表

李昇達 博士

產業經歷：

- Foxconn : Senior Electronic Engineer
- Whetron Electronic : Researcher
- Turing Drive : co-founder and CTO
- NVIDIA : Head of Startup and VC Partnerships (Taiwan)

擅長領域：

- AI 與機器學習
- 高效能運算
- 智慧製造
- 電腦視覺
- 自動駕駛

企業簡介

[Explore NVIDIA AI on NGC](#)

NVIDIA is built like a computing stack or neural network—in four layers: hardware, system software, platform software, and applications. Each layer is open to computer makers, service providers, and developers to integrate into their offerings however best for them.

Inception Helps Startups Achieve Success at Every Stage

Accelerating the world's most innovative startups

NVIDIA INCEPTION

INNOVATE

Accelerate innovation with training benefits through NVIDIA's Deep Learning Institute and other resources for startups.

- Free self-paced DLI courses
- Discounted instructor-led DLI workshops
- Expert-led technical webinars
- Member-only NVIDIA AMAs
- Inception Connect events

BUILD

Get exclusive pricing on NVIDIA software and hardware to build your solutions and get to market faster.

- Access to 150+ SDKs
- Free cloud credits
- Discounts on NVIDIA HW & SW
- Engineering guidance
- NVIDIA LaunchPad

GROW

Supercharge business growth with tools to increase market awareness and opportunities for VC firm exposure.

- NVIDIA Inception digital badges
- PR and social templates
- Opportunities for social amplification
- Exposure to VC community via Inception VC Alliance

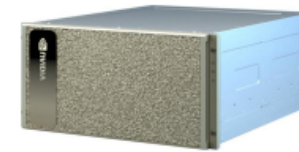

提供新創合作資源

Innovate and Build Your Solutions Faster

Get free credits for self-paced courses and discounts on instructor-led workshops from the **NVIDIA Deep Learning Institute** so your team can build new skills.

Receive **preferred pricing** on a range of NVIDIA software and hardware to develop faster with the latest technology.

Get **free cloud credits** from our CSP partners so that you can access high-performance computing anytime, anywhere.

Access our **massive collection of developer tools**, pretrained models, and optimized software libraries to accelerate innovation.

提供新創合作資源

ACCELERATE YOUR STARTUP'S GROWTH

Increase your **brand awareness** with Inception Program badges, press release templates, and opportunities for social amplification.

Get exposure to hundreds of venture capital firms for potential **funding opportunities** and investor introductions.*

**We work with VC firms to determine potential areas of alignment with our startup community and make introductions based on VC interests and needs.*

Inception Program for Startups

Sheng-Ta Lee PhD (李昇達), Head of startup and VC Partnerships (Taiwan)
